Respected Sir/Madam,

It is with great respect and enthusiasm that I submit my application for a position within your esteemed organization. With over a decade of professional experience spanning radio, television, public relations, and event hosting, I have cultivated a versatile portfolio that uniquely positions me to contribute meaningfully to your institution's vision and objectives. Currently serving as a

television host at Ethiopian Broadcasting Service (EBS TV), I bring to my work a rare combination of charisma, eloquence, and strategic communication expertise. I hold a Master's degree in Public Relations and Strategic Communication from Addis Ababa University, which has equipped me with the academic grounding to complement my practical experience in message strategy, stakeholder engagement, and media planning. My professional journey—beginning at Afro FM 105.3, Ethiopia's premier English radio station, and extending to roles at the Ethiopian Broadcasting Corporation (EBC) and in corporate public relations—has allowed me to develop a proven ability to connect with diverse audiences, adapt to evolving environments, and deliver impactful results.

In addition to my work in broadcasting, I also provide professional voice-over services for commercials, advertisements, and documentaries. This versatility, combined with my experience as a radio host, Master of Ceremonies, and television news anchor, has enabled me to build a well-rounded career in communication and media. Each of these roles has sharpened my ability to adapt to different formats, audiences, and expectations, while consistently delivering quality results.

I believe I am a strong candidate for this role for several reasons. First, I already possess the relevant experience that closely matches the requirements of the position. Second, I bring the necessary skills, qualities, and attributes to quickly learn the role, adapt seamlessly, and perform with minimal supervision. Third, I have a proven track record of achievements in my previous positions, excelling both independently and as part of a team. Equally important, I approach change with optimism and flexibility. I understand that for any organization to succeed, it must continually evolve to meet the expectations of its clients and stakeholders, and I see change as an opportunity to grow and contribute further. I also take full responsibility for my ongoing professional development, ensuring that I remain at the forefront of industry practices and capable of delivering innovative solutions. Finally, I am confident that my contributions will generate a positive return on investment, not only through measurable results but also by bringing energy, dedication, and professionalism to every task. Should I be granted the opportunity to join your organization, I will dedicate myself to contributing with integrity, creativity, and discipline—ensuring measurable value and long-term impact. I would welcome the chance to discuss how my skills and experiences can serve your company's objectives, and I remain available at your convenience for an interview. Thank you very much for considering my application. I look forward to the possibility of contributing to your team's continued success.

Sincerely,

Zewotir Desalegn

To Whom it May Concern:

It is my pleasure to recommend Mr. Zewotir Desalegn for whatever position he applies for in his future endeavors. I came to know Zewotir, or Zik as I and many of his friends call him, when he auditioned for a commercial part; which we were casting for at KesteDamena. Of course, his charm and wits and talent made sure he got the role. It wasn't long after that project I decided to hire Zik full time at KesteDamena. Zik distinguished himself by being exceptionally well mannered, positive, and truly diligent in whatever task he was given or undertook on his own initiative. I would rank him in the top 5% of employees that I have hired in the past 10 years here at KesteDamena. During his time at KesteDamena, he played a major role in many departments including but not limited to being our exclusive brand ambassador, our in house trainer, our event coordinator, the MC, the entertainer and an overall great work colleague.

Overall, Mr. Zewotir is highly intelligent and has amazing analytical, written and oral skills. The many projects he did for us on our social media pages and other divisions were truly exceptional. What stands out to me particularly is the interesting way he engages his peers and his trainees, as he shows both sensitivity and detachment when training the next batch of excellent KesteDamena sales teams. I would even go as far as saying his overall intelligence is reflected by the grades of those he trains.

Zik has excellent communication skills. His written work is both clear and concise, as well as interesting to read. During his training, he demonstrates oral articulateness in his discussions and keeps everyone engaged. He always explained his views very concisely and gave supporting arguments that were both clear and persuasive and hence, Zik always demonstrated good teamwork skills with all his co-workers.

At a personal level, Zik is a well-disciplined, industrious worker with a pleasant personality. He went well beyond what was required in quantity and quality, putting in a lot of extra research and effort to whatever he was doing. Throughout his time here at KesteDamena, Zik demonstrated great perseverance and initiative. Not only was he interested in and motivated to learn new things at the company, but he also put a great deal of work into assimilating it to his own experience and developing his own ideas about the project he was handling.

Zik is unquestionably an exceptional candidate for whatever role comes his way next. I would therefore highly recommend my good friend and past colleague Mr. ZewotirDesaleegn. If his performance at KesteDamenais a good indication of how he would perform anywhere else, then I can confidently say he would be an extremely positive asset to your company.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Dear Amman Fissehazion,

I wanted to extend my gratitude to you and the entire Ethiopian Broadcasting Service (EBS) team for the wonderful experience on the recent episode of "Ferenju Gorebete." The adventure, and it truly was one, not only provided a meaningful platform to discuss the U.S.-Ethiopia bilateral relationship but also offered a memorable journey through the rich culture and vibrant daily life of Ethiopia.
